“ Gail, we are so saddened by the news of Andy's sudden passing. The love and fun-spiritedness in your marriage were obvious to all who knew the two of you together, and the inspiration that we continue to draw from these qualities will never pass away. Please accept our deepest sympathies, and let us all savor the memories until we meet again.

“ Gail- our hearts and prayers are with you as we share your loss. Andy was more than a good friend and I'll miss him tremendously. I'm sure he told you many times of his deep love and respect for you (as he reiterated to me in our many conversations over the years), and rest assured knowing that Andy's years since your marriage were his best- whenever he spoke of you, he lit up like a "kid in a candy store". He was "one of the great ones."
