“ Well Sis,
I am sorry that you have lost your life at such a young age. I know
your husband,
Frank, will miss you. As well as your two boys and grandbabies. As
a young girl
I love having a older sister but our life went on different path and
only the guy
upstairs will make the finally decision I have made with you. Hope
you are at
peace.
Sincerely, Sandi

“ While it is a relief from her pain and a reward for Vicki to be with her Creator, it doesn't diminish the great loss for her family and friends. Frank, you were a wonderful husband and the care you learned and provided to Vicki was a great example to us all. We mourn with you and send our love and sympathy.

Rest well beloved friend. You fought hard. We will miss you.
