“ My great grandma Bernice was such a caring and beautiful person. She had a great sense of humor with great taste and she was someone that you enjoyed being around. I used to love going to her beautiful house in Brighton Michigan during family gatherings. I loved her recipe for "Mexican fudge", which had cheese and green chili salsa on top, that you would bake in the oven and serve with tortilla chips. It was delicious!! We will all miss you grandma Bernice and you will be remembered greatly! Love you!! Love, Michelle

“ My Nana Bernice was such a wonderful Nana to my brother Jim and I (Christine)
I have such fond memories going to her house in Brighton Michigan , like walking to the pond and feeding the ducks. Also sledding down the hill next door to her house in the winter with my brother. She also made a mini rye toast in the oven with parmesan cheese under the broiler.....omg was that awesome I still taste it. I'm soooo thankful she was my Nana. Love you and I'll see you again 🥰

“ My great grandma was the essence of class and beauty. She was loving and wonderful and will truly be missed. Not many people are lucky enough to have spent 30 years of life with their great grandparents but I was and I'll never forget how elegant and wonderful she was. She was sharp and sassy and witty too. God finally rest your soul grandma neece (as I called her when I was little). Until we shall meet again 🥰🍷🇨🇦
💖 I love you always...
