“ My heart is very heavy as I write this. I will always remember being a little girl I would walk into the room and there was Missy's smile! You couldn't miss it. Most of my childhood memories have Missy in them. But the one thing I will hold closest to my heart is how Missy made me feel. She always made me feel welcome and she always made sure I knew I was loved no matter what. My prayers and thoughts are with everyone who live was touched by Missy. As I sat in the truck ready to head to the viewing... All the memories flooded my mind. And I decided to keep my last memory of Missy which is her and I hugging. May you rest in peace. And give my dad a big big kiss for me.

“ Words can't express how heartbroken I am to hear of Missy's passing. Missy was a wonderful person and we were all blessed to have known her. I feel like I have lost a cousin as I watched her grow up along with my own cousins Christina and Donna. All my love and prayers to the family.
