“ *Vivacious, energetic, kind, empathic, a great listener and friend to all. I knew Cathy for 24 years as a wife of a Honigman partner. She knew all things Honigman, from our health coverage, matching programs, birthdays. If she didn't know the answer she would take the time and energy to find out asap. In each contact, we shared our children's lives. And boy did she love her kids, always sharing their accomplishments and proud of their life choices. she was a constant, consistant wonderful person. Blessings to all that will miss this graceful, wonderful woman.*

“ *I have known Cathy since I began working at the firm in 1991. She was always the nicest, kindest person I had met. Always willing to help out and never a negative word I ever heard. I will miss her kindness and who she was as a person. Very few people today are as special as Cathy was. May God Bless her beautiful soul and may her family find peace in this sorrowful time.*

“ I had the pleasure of meeting and becoming Cathy's "Bus Buddy" on the 830 park and ride. We shared so many stories about our families, work and life. We shared recipes, lots of laughs - she was very witty and very funny! I enjoyed our chats to and from downtown detroit ..... I would look for her as i boarded the bus each evening. She was a beautiful person with a big heart and big smile and I am so thankful that we became friends. To her family - she spoke of all of you with such pride and love! I looked forward to the "Tate" stories. You will be truly missed Cathy - May her memory be eternal.

“ I'm so sad to hear about Cathy's passing. I graduated from Aquinas with Cathy and would happily run in to her from time to time. She was always so pleasant, and like so many of the posts state, she always had a smile on her face. My sincere condolences to her family and friends

“ Cathy and I spent many years sharing the same cubicle at work. We got to know each other very well talking about family and life's struggles. As our work assignments caused us to move the location of our desks, we remained close. One of my favorite memories was a time when Cathy was explaining to me something that had happened and she was laughing so hard that she could hardly finish the story. Cathy also became my prayer partner and whenever I needed someone to pray I would ask her and she would always come when she could break away from her desk. I would do the same for her. I will always remember praying for her the last day she worked with us when she could not get the words out for herself.

Cathy was a great example to us for her dedication, work ethic, unselfishness, honesty, faith and a very large caring heart. She will be greatly missed. My heart and prayers go out to all of you.

“ Cathy, you are such a beautiful soul and I'm so grateful that you touched my life. I have nothing but good memories of you and your family. We kind of grew up together. You are truly one of the kindest people I've ever known. Craig, Michelle and Nick, you are so blessed that God chose this lady to be your wife and mom. I hope you know she's still with you - just in a different way. You are all in my prayers during this sad time. How blessed we all are that God gave us the gift of you Cathy. Until we meet again my friend, Love, Debbie Horvath

“ *I have worked with Cathy from the time she came to Honigman. She was so sweet and always had a smile on her face (just like the picture). She was beautiful inside and out. It did not matter what type of problem I called her with, she would get it figured out. I will miss her very much. My prayers are with Cathy and with her family.*
