Save me a good seat, bro. I'll be along eventually. I suspect you won't answer.. but I'll keep talking to you anyway.

“ I always felt I had to watch out for my younger siblings but this is one thing I couldn't try to fix which makes it so hard. It is hard to find words to express how I feel. Even knowing you are in a better place and not suffering anymore - it is still difficult. I love you and you will be sorely missed but I know you are with grandma and grandpa now. I know we will see each other again soon. My love goes out to Michael, Wendy and the girls. All my love, Faye
