“ We are just so sorry. I remember moving to Wyandotte and seeing a cute bald little toddler out front with his little (big) sisters in their tutu's. I have watched you all grow into such good people like your mom and dad. I have seen the outpouring of friends and family over the last few days and it makes me smile, to know how much love surrounds you and your family at this time. Big hugs to you all.

“ He was apart of our lives for so many years. I can remember when he would wait for one of his family members to help him cross the street to come to out house and play with James and Allannah. We also enjoyed our Cub Scout adventures. My heart is broken at this news and I loved him as if he were my own. Love you Dan and Donna, sherry Jackson

“ I didn't know Dan all that well, aside from being the son of Dan & Donna Foley. Donna would always refer to him as her "manchild". She would always have a big smile as she talked about him and that was something you would see when he was near her. The joy he brought to those around him is something we will all miss dearly. My thoughts and prayers are will all of you during this difficult time. Praying that God envelop you in his healing arms giving you strength, comfort and peace. With Deepest Sympaties, Ronald Shaffer
