“ We only had a short time to know Daniel, but what good times they were. Daniel bought the home across the street from us and we all hit it off right away. It seemed like we had known him a long time. He worked on the house and yard non-stop making it a show-place. We kept telling him how nice it was to have his house to view from our house. We all spent Christmas together and that evening several of us took the dogs a walk. He talked about how strange it felt to be 80 degrees on Christmas. Since we are "dog lovers" , he assured us that there will be dogs in heaven ! He was happy to be in Florida and proud of his beautiful home. Great guy. Always smiling. We all miss Daniel.
