“ *Danny and Virge were neighbors a number of years ago. We enjoyed visiting and talking with them frequently. Danny loved to grill, and we often would smell the aroma of what he was cooking up, and on a lucky day, get an invitation to join them!*

He was a proud tradesman, and positively influenced my young son, who was fortunate to be mentored by Danny Bills.

We remember Danny being always calm, though surrounded by sundry storms.

Now that calmness surrounds him, may he find the great peace that is owed to men of everyday strength and compassion. - - Chrystal & Jonathan

“ *Uncle Danny had this way of making you feel like you were special, loved and belonged... He didn't pass judgement nor did he criticize, he just accepted you exactly how you came... My boys were blessed to know him and we all are grateful for the time we had to share with him. My deepest love, appreciation & gratitude to him always and forever; he will be deeply missed but never forgotten.*
