“ M fondest memories with Darrell, were when he would pretend to be Stone Cold Steve Austin and I was the Rock and we would wrestle and the watch wrestling. He was a great friend who I will miss dearly, a big piece of my heart has died. R.I.P. buddy until we meet again.

“ Darrell,

I will always remember the way you used to get Bree and Marisa all riled up and would play fight with them, then laugh even harder when I had to take them home all hyper!

Glad we got the chance to talk this past summer. You will be missed

Rest easy

“ Darrell,

Your character was big as life itself. You will really be missed by all, along with your great BIG smile !

You may have left the life as we know, only to go and live in the care of our Savior. Your early calling has shocked us all. We never know what He has planned for us, but who are we to question Him.!

May you rest in peace . Our sincere condolences to family.
