“ *As I said goodbye to the woman in my life I reflect on our life and her smile for she was not just my everything but she was everything in life. I will miss her everyday but I thank God I atleast had the time of my life with her. Fly high my sweet and shine bright.*

“ Dear Nick and Family,
I am out of town and unable to join Debbie's loved ones in saying good bye to her.

She will always have a special place in my heart because of her sweet and loving spirit. It was her giving and generous spirit that offered herself and Nick to go to a dance with me over 5 years ago. My husband was performing that evening with his group. I was a widow and had just met this awesome man, but going to his dance alone was out of the question. Had she not offered to go with me, there is a very good chance that I would NOT be with my husband. It was something that I really wanted to do, but wasn't comfortable going alone. I mentioned it to her one afternoon while we were both volunteering at a Greyhound Meet and Greet. It was such an awesome offer that I couldn't refuse. We had a great time at the dance, by the way. She and I danced the night away.

She was an amazing friend. Thank you Debbie, I will always love you.

Thank you Nick for being the wonderful husband that you are.
