“ So saddened by the loss of this beautiful woman, Diane was like a second Mom to me when I was growing up, I have lots of wonderful memories with her and her girls! I'm so glad to have had her touch my life, she was a woman of strength, laughter and joy, she taught me a lot and I will miss her. My only regret is that I had lost touch with her and I wish I would've been able to tell her how much she affected my life for the better. Love you Diane!

“ Mom,  
You are now free to run, fly, and be with your Mom and Dad.  
Although I will miss you everyday I am greatfull for our friendship! I  
owe my successes to you for raising me to be an independent  
woman.  
Every flower I see reminds me of you. Thank you for loving me and  
never judging me. I hope you felt all my love in return 🦋

“ Mom, thank you for being my #1 Fan. You raised me to be strong, independent, loving, passionate, and dependable. Thank you for working hard everyday to ensure a beautiful life for me and Shelly. I have always been hard on myself and you taught me that I do not have to be perfect in order to accomplish great things.

*I will miss so many things. I will miss hearing, "morning toots" every Monday morning. the comfort of calling you when the girls are sick, and your phone call the very minute I sit down to eat dinner. :)*

*Thank you for creating memories and passing down traditions that will become part of Isabella, Riley and Claire's story too. You were there from the beginning and Shelly and I were there with you until the end. I said goodbye to you so many times, but this goodbye hurts the most because the story was not finished.*
