“ Our Macy's family is grieving over this loss. Doug will be very missed, as he has been for the past few months for us. I think of him and smile, trying to remember one of his funny jokes. He always had a joke for the day, a smile, a reassuring talk, or a needed hug. I knew I could always get wisdom and perspective from him when I asked, I always trusted his council. He was so proud of his family, and you could see him glow when he spoke about them. Remembering his smile, and humor has helped me with my grieving this weekend, so offering it here in case it helps others as well. Blessings, Ann Chapman

“ Doug was the ultimate professional and always treated everyone who worked with him with respect. He had the best sense of humor even though I was a little slow some days on getting the joke. I am so very saddened and sending my thoughts and prayers to his family.

“*Doug was the funniest guy! He was such a good man! I worked with Doug for over 4 years. It was always a fun time! He was so proud of his wife and daughters and talked about them all the time. Heaven truly has a new angel! I'll never forget the laughter and fun times Doug shared!!! He was just the greatest guy!!! My thoughts and prayers are with his family. Doug will be missed by many.*

Doug was a very sweet man who also happened to make everyone around him laugh. That was our Doug. Sweet, funny and very kind. He will be sorely missed but the hole in our hearts he has left will be filled with wonderful memories. RIP my friend.
