“ Bud was always there to listen no matter what the topic and then would offer a word or two of wisdom. A great man and a true friend. May he be at home with the Lord and his memory will last forever. He will be missed by all of us who knew him. My deepest sympathy to the family.

“ Uncle bud was a great man to many. Even though I'm not around like I use to be. He treated everyone like they were part of his own family. He will be missed by many.
