“ Our friendship stretched over many wondrous years. During those awesome years we traveled, vacationed and raised our children together. We loved, laughed and cry during those wonderful years but we were always together. We experienced some wonderful sunsets and had some unforgettable times together on Marco Island. Few people are fortunate to experienced a friendship like our in a lifetime. You may have gone from us for awhile but our love and friendship will endure and continue in ours hearts forever. Smitty, Bob and children
