“ *My deepest sympathies and my heart goes out to you dear brother David and your family. I was shocked and saddened to hear of the transition of my beloved friend of many decades. Our hearts cry for whom we have lost, but his soul rejoices in what it has found. May peace fill your hearts.*

So sorry for your family's loss. May you find peace and treasure the fond memories and in knowing he's "home" at rest with parents and you all will be reunited again.
