“ I know even heartfelt sympathies won't be enough to make things better with the loss you all are having to share!!! Cousin Fred always meant so much to me and was more like a brother along with Jimmy!!! Fred started us cousins off by being the first born in 1945 and I had the honor of being the only girl among the 5 boy cousins and always with the very best of loving memories. The very close connection with my Uncle Fred and Aunt Leona especially being named after the baby daughter that died shortly after birth gave me more of the feeling that I was Fred and Jimmy's sister since I was an only child. So many wonderful memories. Please know that you were all loved as I can confirm that with our conversations and he was so proud of his Grand babies!!!! Fred will be so missed and I will keep you all in my prayers and thoughts. With much love xoxo and the sincerest of condolences, your cousin
