

## Helen M. Pyszko

October 31, 1919 - November 14, 2014

Pyszko, Helen M. of Southgate. November 14, 2014. Age 95. Beloved daughter of the late Adam and Karolina. Dear sister of Anthony and the late Edwin. Proud aunt of Mark (Sherell), Michael, Craig (Lori), Kim and great aunt of Samuel, Lauren and Christopher.

Trying to sum up 95 years of life in a few paragraphs is nearly impossible. Helen watched the world evolve into what it is today. She experienced the evolution of automobiles, television and radio, just to name a few, and survived The Great Depression and World War II.

During her high school years and after, she was very athletic and on many championship teams in basketball, softball and bowling.

She began her career with Ford Motor Company as a Riveter at the Willow Run Bomber plant and soon thereafter was transferred to a clerical position. She worked her way up to a valued executive secretary at World Headquarters and retired after 47 years with the company. When she wasn't hard at work at Ford Motor Company, she baked wedding and specialty cakes and was in high demand.

She loved to travel and visited many countries. She also enjoyed golf and played well into her late 80's, but most of all, she loved to be surrounded by her family and friends. She will truly be missed.

“ *Helen was always a very dear friend to the family. She was my mother's girlfriend and our Auntie at the time then she became my big sis's friend and then my friend. I always told her that she made me feel young. Till she was wheelchair bound she always had that big burst of energy and kept us going. She always seemed younger then us. There are so many good memories that we will cherish always. May the angels carry her to her new home. Love ya! Carol, Honus, Gary and all the Zak and Amore families.*
