“ I am so sorry that I just found out about the passing of Helen, I would have come to pay my respects. Helen and I went way back, went to St.Stan's grade school and high school together. We had many years of fun and laughter. I worked at Wyandotte hospital for years and if I found out that she was a patient, I went to visit her. I have thought about her a million times. My deepest sympathy to Don and family. May Helen rest in peace. Janice Fredericks

Although I have been away for many years, Helen always remained the very best sister-in-law and friend. It always seemed like no time had passed when we would talk and laugh on the the phone. You will always have a very special place in my heart and know that you will be missed by all who love you.
