“ *I do not know Hunter nor his family, but just know I am very sad about his passing so I know his family is heart-broken. My heartfelt condolences to all concerned. Be comforted in the knowledge that he is at peace with a powerful force of love in his afterlife and you will see him again one day. A beautiful baby boy taken way too soon from this world and from those who loved him.*

“ *Hunter, it's mommy. I couldn't wait to meet you. Hold you in my arms, touch your soft skin and give you all the love you deserve for the rest of my life. But God had greater plans for you. Now you are in heaven with all our other loved ones we miss so so badly. I know your grandmas and papaw are with you spoiling you way more than me and daddy could. I promise with all my heart I'll think of you every single day. I wish I had all the time in the world with you but God has greater plans. My heart breaks saying goodbye, but you are in the best hands and mamma and daddy is see you as soon as we get there. You are forever in my heart and on my mind. Love you always my sweet angel. Rest easy for mommy.*
