“ He was a very special person and a great teacher. He showed me kindness and provided inspiration during a very difficult time for me. I often think of him and wondered if he was still around. Sorry to hear he passed last fall. He touched many, many lives and I think he raised the bar so that we all became better people.

“ Coach Fleming was my swim coach and teacher. He encouraged me to always do my best and I believe he had more faith in me than I did. He gave so much of his time to swimmers and was also the first coach of the girls track team. The funny thing about that was my sister talked him into coaching for free and then she quit the team. My condolences to his family and friends. He will be missed.

“ My would like to extend my deepest sympathies to his family on learning about this sad news. I wish I had thanked Coach Fleming before now for all the long hours and dedication he devoted to my own development as a student athlete. He was a role model for all educators and coaches.

Coach, I know you are looking down on us from heaven, so I send you my warmest regards,

Mike Burton

“ *Coach Flemming was a great man. He took me from the sorry state of floating through the pool to some pretty decent times in races. I think this "candy ass" might have actually had a chance up against the "Little Sisters of the Poor!"*

My condolences to his family and friends.

“ *Mr. Fleming was an amazing teacher, my favorite. He motivated us to care about what was happening in the world. I also loved his daily jokes on the chalkboard. Mr. Fleming has made a greater impact to the world than he could ever imagine.*
