“ I am cousin who was born in Castlewood, VA and grew up in Kingsport, TN. Every year around the 4th of July my uncle Felix would come home to visit my mom and bring his family. I think the last time I remember them coming to my mother's home was in the early 1960's. Since Rex grew up in Michigan, I did not have an opportunity to know him very well but he was loved dearly by my mom and his dad. This picture looks a whole lot like my cousin Roger Meade. W. N. “ my dad, teacher and friend I am thankful for every day that i had you in my life over the last 40 years. You taught me many things i may not have always listed or made the lesson easy on you but i will always remember everything you taught me. We might have butted heads on many things while i was growing up but you were always there for me when ever i needed you no matter what you had going on you were the best father a daughter could ever have and i will miss you greatly even though i know that you are in a better place.

“ A real friend. One that we all love as a brother forever. You and Johnny behave up there. You rest in peace. So many good memories growing up with you. Trips down south, riding around hanging out in your cars. Shooting pool with you. Hanging out at your house on Flanders. That was the neighborhood hang out . Thanks for your friendship . You will never be forgotten .

“ Who knew when you walked into Bob's Bar on 28Oct,1975 Cupids arrow would knock us both off our feet..you came in to shoot some pool and drink a couple PBR's, we have been together every sense. WE have had good an bad times and have always been a team an got thru them. I never believed in Love at first sight till I met you. I Love you with all my heart and always will. I miss you and will see you again, sorry if I take my time to get there (like maybe 20 or 30 years). I will take care of the babies for you, and be your strength.
