“ As I sit in anticipation of this memorial service honoring my precious Aunt Jan, I can't help but wish all of this had just been a horrible nightmare that we will all be able to wake up from and find never truly happened. Luckily, faith in what God has waiting for us, gives us the strength to cope with losing someone we so dearly love! None the less, I will miss you more than words could ever express and hope you are having one joyous reunion after another with all of your loved ones who helped welcome you to forever! Until we meet again, my precious Aunt and beloved friend....I love you! ❤️❤️
