“ Our sincere condolences to the extended family of John, we share your grief and hope our words and presence comfort you now and in the future. John and I grew up as neighbors and he was my brother through jr. high, high school and beyond. We shared experiences that at the time were epic! I'll leave it at that! He stood up in my wedding in 1980, and visited my home a few times where my wife Jill and I lived at that time in Westland.. Unfortunately we lost touch and we both have had events in our lives that I regret we were never able to share. The family and friends in our lives help shape who we become in life, and John had an impact on me that I will always live with and treasure. God bless you brother, I will never forget you! “ John was one of the truly good people in this world. He welcomed me into his home, included me in times of fun and celebrations, and offered support during my family's time of loss. Through my cousin Mike, John's son, I have had the honor of meeting a number of his family members. This showed me that he was surrounded by good people who loved and respected him, as he definitely had my respect. Please accept my deepest sympathies for your tragic and untimely loss. My thoughts are with you all, as he will definitely be missed.
