“ I always looked as Mr. Neifert as my very own Santa Claus, he always had a smile on his face. He had heart of gold and always thought of others before himself and will be greatly missed.

“ I first met John when I joined the Taylor HOG Chapter this past year. He was one of the first people to greet me, and make me feel welcome as a new member. That is something I will never forget, and will always cherish, his outgoing and friendly spirit. John was (and still is) a true brother on two (or in his case, three) wheels, and I will miss his sense of humor and indomitable spirit. Rest and ride in peace brother John, we shall carry your spirit with us for all time.

“ *I also haven't known John & Janet very long. At the Chapter Picnic (we both own Trikes) John was complaining about the rear shocks being very hard. I asked him what pressure he had in them. Good ole John looked at me with a strange look and said he had no idea what I was talking about. We went to his bike and I took off the right side cover and showed him the air fitting to put in more air. He was at zero lbs. Poor guy, we had a good laugh. What a great guy, we will miss him!*
