“ Uncle John, may God bless you in this journey, and may he provide comfort to Aunt Teresa, Catherine, Nick, Brian and their families during this time. Outside of a mans father, uncles are great examples to a young man and I was blessed with fine group of them that I hold dear in my heart to this day. I remember you as a guy that loved your family, your extended family, held everyone accountable (took a fair bit of joy in doing that too as I remember), had a booming larger than life presence, loved to have fun and I'll miss you.

Dear Catherine and family, it is always sad to have a loved one pass over but your dad had a good life with three wonderful children and a beautiful partner to share all this with. He is home now. With love, cousin Geraldine
