“ We are very sad that Joe had to leave this world. All the great times we shared together will be cherished memories in our lives forever. He was truly a great guy. Always smiling and ready to lend a helping hand. He will be missed by our family, but will never be forgotten . God bless you Joe

“ *My sister lived next door to Joe & Anita. I was close in age to my sister's children and would get to spend weekends with them sometimes. That made four of us kids for great games and activities in her huge yard (or so it seemed), but no, wait... there was a 5th kid, who played croquet, pool tag, kickball and all the other games we concocted, his name was Joe. He was a blast and always ready to play! Always laughing, smiling, and kidding around. A great guy to grow up around. A great role model for tolerance, kindness, and loving being alive. Love you Joe. Thanks for all the great times as kids and for when we were all adults too. Such a special person and I will miss you! Especially thanks for being there for Melva in her last years. As Melva & Ed's son, James, said, enjoy those pinochle games in Heaven with Melva, Ed, & Anita and rooting for the Tigers! God bless you.*
