“ I met Joe at Wyandotte hospital. We worked together for years. We shared a lot of laughs and fun times. Every Christmas Joe would make a wonderful Christmas meal for Nancy, Nancy and I, along with Christmas Carol. He always talked of the shopping trips he would take with his daughters and every year bought us a new holy grail. He loved his daughters and the rest of his family. I am so glad I got to know him. My deepest sympathy goes out to his family. RIP Joe.

“ Joe was one of my very best friends in High School! He was involved in everything and loved to make people laugh. I knew when I was with Joe we were going to have a good time! I remember Pep Club, Football games, parties, snowmobiling, dances, and working at Tiger Stadium, and Joe being in our wedding! Our Moms thought of each of us as just another son in the house. As our lives took different paths we have not stayed in close contact like we did in our younger years. I was saddened to hear of Joe's passing but will always have great memories of our times together. Joe was a great friend, extremely intelligent, funny, and always willing to help others. I will not be able to make it to the Funeral because of work obligations, but my thoughts and prayers are with the family. Joe, I know you are in a better place.

“ I worked with Joe for many years. First at providence hospital then for ten years at Wyandotte hospital. I can't tell you how many laughs we had. I looked forward to going to work because I knew that I would be working with him doing orthopedics and it would be a great day. We were doing a shoulder surgery a long time ago and a nurse was scrubbed in our room with us and she talked and talked and talked. I turned around to ask Joe for something and he had a whole roll of Kerlix stuffed in each ear. If you work in the OR then you know how funny that must have looked. Joe will be truly missed.

“ I am saddened to hear of Joe's passing. My thoughts and prayers going out to all of his family. I will always remember his smile and kind spirit! I had the pleasure of working with Joe at Wyandotte hospital OR. He also was a neighborhood friend. Though I have not seen Joe except on FB since 2010, I am sure he had not changed. He could light up a room. Joe, you will be truly missed by all who's life you have touched! Rest in Peace my friend.

“ Sending Heartfelt Sympathy to Joe's family . . . I've known Joe since he was a kid growing up in Wyandotte ~ His mom lived next door to my Bussia . . . even as a kid Joe had a great sense of humor. Time and distance has separated the people I remember most growing up in a Polish neighborhood where everyone knew each other and looked out for each other . . . some things and people you just never forget ! Joe's one of those special people. His Mother Mania is a remarkable lady I've know all my life. As I spoke with her today, we had a long talk and she brought back many memories for me. Love you Mania ! Please know that your family is in our thoughts and prayers during this difficult time . . . Sincerely, John & Barb (Litwinski) Stayer

“ *My thoughts of Joe:*

As I sit here today, I think about Joe and the phone call this morning, that I knew would come. Although, Joe was part of many groups, through work, when he lived up near Bloomfield, he was always a part of the Brownstown/Woodhaven family and friends. I met Joe through my brother, Ken, and what good times we had throughout our early years, the bonfires on the farm, the tubing trips, the concerts, the list could go on and on .No matter what, Joe always had this positive nature about him, that would come through during your conversation, even if him or I were going through some rough times. Joe never forgot where he came from and I was glad to see him move back to Wyandotte, after seeing him elsewhere. I will miss Joe, I will miss the conversations, I will miss the laughter, I will miss the smile. I still am in shock that he is gone. Rest in Peace, Joe, till we meet again.
