“ *I never met Kathy, but know her daughter Bernedette. I would like to extend sincere condolences to her family. It is my belief she now dances on streets of gold and rests in the house our Lord has made.*”

“ I never met Kathy in person but I knew her from online. She had nothing but good to say, seldom complained but when she did it was about our COPD that we shared. She was such a sweet friend. Called me once just to see how I was, never mentioning her illness other than she hoped I never got it that bad. We had some good times playing on Pogo. She will be missed by me and I will miss her terribly. We shared many e-mails about our lives and of course our Grandkids and pictures. Love you Kathy.
My deepest sympathy to her husband Ed, Her daughter, son and 2 grandsons.

“ *Kathy was like a sister to us! She lived with us as a teenager at our home on Poplar St., in Wyandotte. She was amazing to me, I was the youngest of 5. She would watch TV with me, tell me stories, just loved me like her own sister. She will be truly missed. Being that we are true christians, I know she is with our Lord now! She will be forever in our hearts! Terry, Diane (also with our Lord now), Cheri, Karen & Nancy Cholette*

“ *There are no words for me to describe the loss i am feeling at this time. My Mom was always there for me and taught me absolutely everything i needed to be successful in life. We did not always see eye to eye but i always knew she loved me. She taught me the key thing in life how to be independent, even tho i am not sure if she knew i always needed her i went out and did things very successfully as an adult. At 40 i had this need to move closer to my Mom and that i did, We were able to start a new chapter on a adult relationship. My Family is the most important thing in my life and i would do anything for any of them. I promised my Mom to help my Dad and that i will be doing daily. My Mom never gave up on life, God must have needed her for other things. I Love You Mom and may you rest in peace knowing you were the best wife, mom and grandma ever!!*
