“ My deepest sympathies to the entire family. I worked side by side with Kathy at NWA, and we did our best to shake things up there! Your mom was so much fun and so kind. We swapped stories about our kids and hubbies, and did a lot of laughing. She loved you all so very much. My prayers are with you all.

“ *Kathy was my classmate for 12 years at Mt Carmel. A lot of us watched her hard journey through the pages of FB. She was so strong and never gave up and always seemed to be smiling no matter what. RIP KATHY.*

“ *My heart goes out to you and your family during this difficult time . Kathy was a fellow classmate, who always had a smile on her face. We lost touch after graduation (Class of '69)....and then I moved to Florida. But thru FB we reconnected. She will be missed by many. But know that she is a bright star ★ shining down from the sky and watching over her beautiful family. Memories of her love and laughter will keep you strong and remain in your hearts ♡ forever!*

“ I didn't know Kathleen like I wished I had, but what I do know is that she was the sweetest lady in our entire neighborhood. I know this because everyone who did know her told me so. I know that anyone who loved kids the way she did is a unique kind of angel. One night I was putting up Christmas lights in my yard and was so frustrated after 30 long years of doing this for my kids. I swore it was the last time I would ever stand in the cold again. Then Kathleen's daughter came out and said "My mom thinks your lights are beautiful. She just sits and looks at them for hours." I was so touched by this kind remark that I decided I would forever more decorate my yard for her to look at. I literally had no idea she would not see them from that window again, but rather from heaven where all angels belong! I leave my light on every night in Kathleen's honor. Bless you Mrs. Rushlow until we meet again, and all my prayers to Ronald and her wonderful family!! All my love, Robin McElhone a.k.a. the lady across the street. Brian, Shane, and Sheridan McElhone send their love as well.
