“ Dearest Cousin Fred and Family I send my heartfelt sympathies to all of you!! You all have such a legacy with Aunt Leona being a part of your lives all these years with her genuine love.....she was always such a special loving Aunt with such a good sense of humor too. She will be so missed and the only consolation is knowing she is at peace now and with all of our family that went before her as she was the last member of the special generation of our Aunts and Uncles. Love you all and you will be in my prayers and thoughts. Your cousin, Andrea K. xoxo (Grand Rapids, Michigan)
