“ Uncle Lenny was *QUITE* the uncle!!!! He always had a smile on his face and loved telling stories. He also, really love to dance,esp the polka.

We know the trips he made up here with Ray and sometimes the boys for deer hunting with the guys meant alot to him.

I was told while the guys were hunting on the 80 (acres), it was breaktime. So they took a card table and chairs, set them up in the middle of the field, and had to play a few games of euchre. Maybe a few drinks to. Ha HA

When Dennis came home from Vietnam he became very sick.

Uncle Lenny and Aunt Evelyn opened their home up to me to stay. He showed me the route to take to the VA Hopital in Allen Park, and looked out for me. For me, growing up in the country(gravel roads etc) to the city live. That was a challenge. I could have never made it without their help.

We love him, and will miss him, but he will not be forgotten.

“ Donna and Tina...growing up when we did provided lots of great times with our families. Uncle Lenny and Cio Cia Evelyn would take me to the lake with your family...we rode bikes, swam like fish and knew we were well cared for. I remember the gushie kisses Uncle Lenny would always give me...I was guaranteed to get one each time i saw him, along with a big hug. I still can hear your Mom yelling downstairs to the guys (who were at the bar) Lennie!!!! it's time to go. Uncle Leonard was a faithful man, every time I was at Mass, I would see Uncle Lenny too. He loved his family and followed Jesus...what more could you ask for? It is great to know how much our families helped each other out and were there for each other. Those memories are the ones I treasure. Our faith reminds us that one day we will see each other again and when we do, I know Uncle Lenny will be there with a gushie kiss and a warm hug welcoming me home. Prayers to you and your families,
Deanna
