JD

“Words can't express the sorrow that I feel for you, Doris and Chris. I am praying today and always for you all. Doris, the strongest person in the world is a grieving mother that wakes up and keeps going every morning.

*I wish that I could be there today for your family, but sorry I cannot get out of work. Just know that I am thinking of you. Love you all,
Jennifer DeGolyer*

In Your Heart

*Please mommy, don't cry, do not be sad.
Treasure the time how ever short we had.
I miss you too, but I can feel your love.
Even up here flying, like a little dove.
I know it seems scary, and you feel all alone.
No one can ever replace me, I was your own.
Your sadness means I was loved every day.
Though you cant see me, beside you I lay.*

*It takes so much courage, for you to go on.
I know our time together, wasn't very long.
But you now will be stronger for knowing me.
It will be okay some day mommy, you will soon see.*

*In the times that are hard, remember I am here.
Never far from you watching; always very near.
It isn't fair we have to live so far away.
But don't worry; I hear everything that you say.*

*I am with you with every step that you take.
Sending reminders I love you, for your sake.
I grew in your womb but then slipped away.
Instead now forever in your heart I will stay.*
