“ Lynn and I had been friends for years. We bowled together on the same team at Merri Bowl in Livonia back in 1977. We became fast friends. She was a wonderful woman, and even better friend. She loved her daughters very very much. We could go years without talking to one another but once we found each other again (and we always did) our friendship had lost nothing, we picked right up where we had left off. Lynn will be missed more then words can explain. I miss ya lady. You had style. Love you See you again some day. Leslie
