“ Aunt Mary was brilliant, loving, caring to everyone, a great story teller from her past and before that along with knowing what was going on in the present, she was wise, beautiful through out her life, someone I looked up to all my life, to me she is the most positive and thoughtful woman I've known. She will be missed by so many family and friends that have known her. I will always love her and look to her for strength, Sandy Gazda Kritch.
