“ Wyrazy współczucia całej rodzinie Roszkowski i Zakiewicz z powodu śmierci Marianny Roszkowski.
Mary była siostra mojej babci Janina Betlinska. Babcia przez całe życie bardzo tęskniła za swoją mamą Jadwigą i rodzeństwem. Teraz wszyscy spotkają się u Pana.
Miałam przyjemność poznać ciocię w Polsce.
Ciociu spoczywaj w spokoju.

“ I am so sorry that I did not see this obituary before the funeral! I loved Mary as I practically grew up at Frank's Cafe as my father, Walt Jarczewski, was a regular. The last time I saw Mary was at the closing of St. Helena's Church and we cried together because of all the wonderful memories we shared at the Church and School which I attended. Mary was a wonderful lady!!

“What a wonderful mother-in-law you were and terrific guest when you would come to visit. And. an outstanding cook of Polish specials. No one made city ("silly") chickens like you. I'll always remember your visits with us in 1994 and when our good friend, Fred, would ask you if you would like a cocktail, you would say "I'll have my usual". (I spoke to Fred on Friday, and we had a good laugh about those times and you would grin with us.) I will miss you Mother and am so happy you are with our God now in a better place.

“ *Mother, I will miss you so my heart aches with overwhelming sadness. I will so miss your hugs and your beautiful smile. You raised me well and all on your own for which I will never forget and be forever grateful. I will cherish so many beautiful memories of those years growing up in our house on Forest Street. You worked so hard all your life to give your three daughters so we would never be without. God Blessed us with the most beautiful and caring Mother. I know you will always be with watching me and by my side as always. You are now with Busia, Dzia Dzia, your 2 brothers, other family and many of your friends. I accept and it gives me comfort in knowing that you are in the arms of our God and the Angels were singing to welcome you home. This gives me comfort! Mother, until we are together again your Baby Girl Patti loves and misses you!*
