“ To the family of Mike,

I worked with Mike in the steel mill in Youngstown, Ohio and I will surely miss Mike.

Smart, easy going guy that I admired for all that he was. He had a great sense of humor and was just a likeable guy.

Please accept my sincerest condolences on his passing. I am saddened by it but the memories lift my spirits.

*Respectfully,
Nick Markota*

Nick,

Thanks for taking the time to write to us, we didn't notification and if we did, I apologize that we missed it. Here I am a year later still thinking of my Dad and missing him. He really WAS the smartest and the funniest and everyone liked him! My Brother and Sister are so much like my Dad in so many of those ways. Thank you for your condolences and for sharing your memories of my Dad. He always made me laugh too...still does when I think about things he said to me. Thank you again, Nick.

“ *Michelle, I'm sorry to hear Mike passed. I worked with Mike at North Star in Youngstown. Mike was a good friend, and a good person for sure. We had a some of hard times, and lot of good times. He has been sorely missed by the people that worked with him.
Sincerely, Steve (Bart) Albrecht.*

Bart, I want to apologize because I not get notification of your post. It was a tough year without hearing my Dad's laugh and getting his hugs. I always loved the way his flannel shirts smelled when he got home from the mill (before he retired). He spoke very highly of his North Star family and many of them I had the privilege to meet through the years.

Thank you so very much for your condolences.

“Michael and I go waaaaay back, growing up together in Wyandotte, attending Mt. Carmel grade and high school. We were in the high school band together, and started playing for them in like 5th grade. Our band leader and teacher was Mr. Jensen, who was admired by all he knew. It was always so much fun to be around 'Dylewski', as we would affectionately call him. He was like most of us, mischievous but not hurtful.

It seems so unfortunate I never saw him around town whenever I would come home for a vacation and to visit my family. I would ask other friends of mine like Sonny or Zulu, and they would say they saw him around, but nothing in detail. I guess as we got older, nothing stayed the same, and somehow our close knit friendships grew a bit farther apart. But I still have the indelible memory of all the good times we shared, both in and out of school, and will always remember how much he loved to clown around and make us all laugh. I will miss you my friend, but we will meet again! My deepest sympathies to the entire Dylewski family, and know well in your hearts that he has the place with the Lord.

Thank you so very much, Jimmy. Our Dad remained funny and fun to be around until his last days. Always with one liners and always the wittiest person in the room. I cannot express how thankful we are for all of the love and support we are receiving at this time. You memories and kind words touched my heart and I'm certain my Dad's as well. God Bless.
