“ My deepest sympathies to Marianne, David and Julia. Your husband and father was extremely talented and successful in his business ventures. He leaves behind a legacy with his new grandson, Jacob Michael. I am happy that Michael had the opportunity to meet David and Julia's new son--however briefly--and to realize his impact on his family and acquaintances. Someday, Jacob will understand that his Grandpa left his life too soon, but will grow to understand his Grandpa from his family's memories and stories. God bless you all. You are in my thoughts and prayers. Your cousin, Bev Istvan (In Jackson.)

“ Michael was simply amazing. I worked part-time for Michael and would have never called it work! "We had fun." He was full of amazing stories and one of the most intelligent gentleman I have have ever met in my life. After losing my 19 year old son in a fatal motorcycle accident, Michael had plenty of wise very kind words to help me see a different side of death. And to be thankful for the time I had with my son, and grantfull that he left me a grandson. I did it! And now I am thankful for having the opportunity to have Michael cross my path in life. He will be missed by all.

“ Hi, Marianne,

I was so, so sorry to hear of Michael's passing....He was a very kind and generous man. I hope that for now you are comforted by knowing you are in the thoughts of your friends, and that soon, as your grief begins to lessen, you will be left with many warm and happy memories of the years you spent with him.

Thinking of you and wishing you well, Camille Greenwald

“ Mike was a universally liked and respected lawyer in Wyandotte and the downriver Detroit community. How Mike became a lawyer was an interesting story. He had badly injured his knee in a work-related accident. He settled his own WC case for a lot of money, and then went to law school and became a lawyer. He fought hard for his clients and did an amazing variety of types of legal cases: civil, criminal, Mike did it all.

The crowning achievement of his legal career was obtaining a jury verdict in 2011 of \$3.42 million in the Flint federal court for a client who had been badly injured in a motorcycle/truck accident.

We will all miss Mike and the downriver community has lost one of its best lawyers.

“ *As a child I always thought of Uncle Mike as artistic and slightly mysterious.. I'll never forget a picture of him sitting in the bathtub holding David when he was just an infant, he looked so happy and proud. When I matured he impressed me as very accomplished and always seemed to look much younger than his age. I'll always be thankful to him for introducing me to his love of guns in the woods of the family cottage in Oscoda.*
