“ Remembering fond memories of Norm, Uncle Jim and I walleye catching Hawg walleyes, swapping stories and sipping a few beverages. News of Norm's passing was a shock and has us deeply saddened. However knowing the way Norm was he would not want us to be sad but to celebrate his life and the good times we all had together. Cheers to you Norm! Rest easy on the calm waters ahead.

Love you, Dave, Marianne and Jeremiah Hayne.

“ So much of who we are today was shaped by who we spent our youth with. I was fortunate to have shared my teens with Norm. He won an insanely fast go-cart at the Auto show and seemed to be the driver for everything else we did from there on. So very many positive joy filled memories

“ No words can express our sadness. Norm was always smiling and willing to help anyone who needed it. We will miss him! Tricia, remember that we love and care about you. I'd like to share one of my favorite quotes from Helen Keller. What we have once enjoyed we can never lose. All that we love deeply becomes a part of us. Norm will always be with you and watching over you! Our thoughts and prayers are with you.
