“Denise, may you find peace in the knowledge that your beloved father has gone home. He hasn't left you. Now he can watch over you always, and will be your guardian angel. The pain you feel will subside and you will smile when you think of him.

“A special person, number one nice person, a kind willing helper, he had many abilities!
He could fix anything and did! He tried to join in our Tim Horton's daily coffee get together but his inability to talk kept him from attending! I will sure miss his nice person attitude! Larry Bodary

“When we were kids, almost every day that I can remember, uncle Ralph came walking up the the driveway after he got off work for at least a short visit with my mother. We also used to go out fishing on their boat with He and Bill, pretty much my first Detroit river Perch fishing experience. His Smile was as sharp as his quick wit and humor! He will be dearly missed!

“Be at peace now in heaven. You were more than just a father-in-law, you were like a dad to me who helped me through some hard times in my life, and for that I thank you. I will always cherish the memories we had together, God bless you dad.

“ *Denise and Billy , Dad was one of my favorite people . Always with his warm heart that shinned through his eyes . His jokes that so reminded me of my dad that didn't even change his grin . I was always family to him, even when I had become family, and forever after . I loved Uncle Ralph our saddness now goes on as his joy of gaining everlasting life through the power of our Wonderful Christ . He gains his reward to spend forever with his mom, dearly missed sister, and family as the rest find ways to move on. May Peace , Love and the Understanding be yours through this time. 'For God is Glory' .*
