“ Sorry for the loss to Ray's family. I started with Detroit Edison in 1999 and RAY went out of his way to help me find my way thru the maze of DE procedures and policy and people.

I will miss Ray for his kindness and help.

“ Ray was one of the finest people I had the privilege of working with at Detroit Edison. He was a conscientious, hard-working man. He was always cheerful, even though he had health problems. I will never forget him.

We will be praying for your family during this time of mourning.
