“ *All the peace and prayers to the family of this lovely lady. Mr.s Lambrix was one of the kindest and most gentle people I ever knew. She was my catechism teacher while I was growing up and she lived down the street from us on Stratford. She is my friend Vince's mom. To all the family: my deepest sympathies and condolences. My prayers and that of my family are with you. Please know that her positive influence and kindness helped shape many, many children into fine adults and that includes me.*
