“ Rita, words will never express how much you mean to me. You had a big influence in my life. I never had the chance to tell you that your kindness all those years had a huge impact on my self esteem. The people in my life now know all about you and yet never met you, and they are sad, and hurt with me. You are beautiful outside, but beautiful deep inside also. You are in Heaven now and being rewarded by our Heavenly Father for your kindness, and generosity you gave her on earth. Love You, Dana (Nelson) Durtka. You will be missed.
