“ To Tom and the entire Kuzava family please accept my deepest sympathy on the passing of Bob. I have so many fond memories, from the time the Yankees came to town to play the Tigers and he took us on the field during batting practice to meet all the players and the times he would take us over to the Sacred Heart field to throw batting practice to us (i could never hit a curve ball and your dad had a good one). He was a man of character with a tremendous dedication to his family. I have come to the conclusion that there are two types of people in this world, givers and takers. Your dad was the biggest giver I knew.

You will be in our thoughts and prayers during this difficult time.

“ To the Kuzava family, my sincere condolence to the loss of your dad, he was a great guy, spoke to him quite a bit when I worked and the Knights of Columbus, my grandad and Bob were really good friends, and when I joined the Marine Corps he told me I was doing a very honorable thing by serving my country. “ Bob was just a great guy. He worked in the 1960's & 1970's at Sacred Heart School on Grosse Ile and we, the students, loved him. He was a big man but with a bigger heart. He always wanted to help us kids and the teachers and nuns. He always provided us with a smile. Quality man . . .

“ I knew Bob through (the late) Howard and Helen Kuzava. I was always glad to see him. A few years ago, at McDonald's, I introduced Bob to an acquaintance of mine who turned out to be a schoolmate of Bob's from high school; they hadn't seen each other in great many years. I was very pleased to have unwittingly brought them together again. My deepest sympathies to the family. Bill Roth
