“ Subject: For Our Bobby. <3 All my love, Janie

To my wonderful brother, Bobby. <3 I remember. I remember all of the good times.

The days when you would come home after being out on a date with the beautiful girl that you choose to take as your wife. Our precious Gail. <3 You would always leave a candy trail going up the stairs that led to your bedroom. You had meant it for me and you knew that I would take it, sure as a fish would to bait on a hook. =) Then, you would say "Hey! Who stole my candy?!" I'd run, you would laugh.

I remember days while you and Gail were courting and you would let me hang out and grease the plates so that you could make fudge and I would roll my eyes as little sisters do, as you both wrote, Bob loves Gail~ Gail Loves Bob. over and over again with your fingers in the butter! <3

I remember you were the first one that started my lifelong love of music by sharing your Beach Boys albums with me. You sent to me, all the way from Viet Nam, my very first transistor radio. I treasured that thing with all my heart. Most of all, I want to thank you my dear heart for letting me be Sissie to your beautiful kids that I love so much and considered as close to me as my own <3

*I love you my Bobby and will miss you so much. Kiss Mom and Dad for me and Reg and little Jimmy too! Tears are falling like raindrops so I have to go for now, but just know hon that, I remember. <3
