“ Bob Wooten was a staple at my dads station across the street and at my station for over 30 years . Husband, Father, World War 2 Veteran and friend. He all ways had a smile and a laugh readily available to anyone he met . We haven't seen Bob in the past few years but think of him often . He was a part of our life for a long time . I'm sure he and Joyce are playing Tennis in heaven !

“ What a joy and a privilege to have you as my Uncle Bob for the last 68 years. I felt so loved by you and the feeling was mutual. A sunny disposition, bright smile, and good sense of humor you displayed. There were never any 'strangers' with you....whether in the grocery store, gas station, walking down the street, travelling, no matter where, you reached out to everyone. I loved that about you! You were sweet and kind and meant so much to me. My heart is breaking because you are no longer with us, but my heart is also overflowing because of having had you in my life.

Your loving niece, Barbara

“ Bob was the sweetest man I ever met, and that is no exaggeration. We had the privilege to live across the street from him for 12 years. We had a neighborhood Christmas party at our house every year. We always played a gift exchange game, and one year Bob opened his, and it was a purse. Everyone howled with laughter, and I found out then, that Bob also had a great sense of humor, he played right along, and we had a blast ribbing him about the purse. Bob gave my girls the state quarters for their collection and always handed out 2 dollar bills to them. He cared about everyone. In return, we all loved him dearly. The world was a better place because of him. Our prayers are with his family, whom he talked about all the time. May God's promise of life everlasting bring you peace and comfort now and the days to come.

“ I knew Bob through his son, Rick. Bob always had a smile on his face and it was an honor knowing him. His family was a perfect reflection of him. You will be missed Mr. Wooten

“ Bob was a wonderful neighbor and friend for 60 years. He and his beautiful smile will be missed. No one was a stranger when Bob was around, he befriended everyone. He was the epitome of the greatest generation. I am grateful he considered me a friend and grateful for all the wonderful memories I have of him and his family. .

“ Our sincere sympathy to all of Bob's family. He was our sweetest neighbor and always made sure to hand our grandkids a quarter when they were younger and talking to him over the fence. Rest in peace Bob. We love you and will never forget you. 💔
