“ *I was in Scott's class at Gabriel Richard. Though we lost touch after
graduation, I was fondly reminded of him recently while going
through my closet. Scott and I, and another friend, didn't have dates
for the Sadie Hawkins dance our senior year, so we decided we
would go stag as a trio — and, like the couples did, we decided to
wear matching shirts (a maroon patterned flannel from TJ Maxx). I'd
kept the shirt all these years, and seeing it reminded me of the great
time we had. I also remember Scott's birthday was only four days
before mine (meaning today I'm the same age as when he died). I'm
all too aware that his life was shorter than it should have been, and I
offer my deepest sympathy.*
