“ Shirley you are missed we use to have good times in our younger days. The dinners we had wit the Downriver Mudders and how the kids use to play and the boys hunted and fished together. i've kept in touch with you as often as i could because of working now that i retired I have more time and you are gone. I always enjoyed our talks and seeing you. I know now you are in heaven with JoEllen Zeestraten and you will see her and she will make you laugh and have a good time together. you are missed by all

“ Dearest Mom,

I cannot begin to express the ways that you will be missed. You have been my champion my entire life, lifted me when I was down, pushed me when I needed it, encouraged and supported through good times and bad. You have been the one constant in my life since the day that I was born. If my children love me the way that I loved and cherished you, then my life will be fulfilled in every way that matters.

I will always cherish your visits with me, the time you spent here, the chairs seats that you re-upholstered and put on (in different directions and did not have the heart to tell you) and all the things that you did with me and for the kids. I hope you know how much they loved you and cherished the weeks that they spent with you on their summer vacations every year. You are a very special person and your passing leaves hole in my heart and our lives will not be the same without you in them. You will forever be in our hearts and in our prayers. I love you MOM!

MOM, LIFE IS NOT THE SAME WITHOUT YOU. You were my best friend, my hero, my champion. You were the strongest person I know and the glue of this family. Although our time living together had its challenges, I'll always remember the laughs we had, giggling so hard we cried. You sure didn't make it easy because you were proud and stubborn, but you were always smiling. You handled it all with grace and dignity, no matter the pain or limitations. I know it was your time, and you were ready but, my heart is broken. I respected you, I adored you and I will forever be grateful that you were my MOM. I'll carry you with me where ever I go. I will try my very best to keep the family together, as that was your last request. Anyone who knows you, knows you lived for your family. We were all blessed to have you in our lives. I pray you really are up there singing with the angels 🙏 REST IN PEACE URS. Best Mom ever !!

“ I will always miss you grandma. I have never been more heartbroken than I am now. You never failed to make me smile and I will miss our weekly trips to Meijer and how you always bought be lottery tickets even though you always, always lost. I will miss our constant battles of rummy and phase 10 (I promise I did let you win sometimes) and your delicious salami roll ups. But most of all I am going to miss your smile and your laugh and your cooking and baking. Nobody's is ever quite as good as yours. I love you so much babcia.
