“ I've known Stella for 20 something years, maybe longer. Jimmy, of course, got to know her first being they are both polish and he could understand her well. I kinda got to know her more intimate in the 6 or so years. I loved to listen to her stories of her trips abroad and her friends she met and family. She like to read the paper and ya gotta get the right one. She fed her animal friends. She talked to herself, and answered or laughed she told me when no one was around, I also do the same, and Im not kidding, she loved that. She once, not to long ago, asked me if I like to sleep, I replied, if I can, yes. She replied, I love to sleep, Im in a perfect place there. Well, Stella, let us all celebrate your life, your gifts of so many, your humbleness, hard work, happiness, beauty and most of all your wisdom you have shared with me, my family and neighbors. You are/and will always be in my heart and soul till my self leaves this place and follows you to heaven. God Bless. All my Love! Your Diana p. xoxoxo Im still a Dem!
