“ *Very sad to hear of Stan`s passing, prayers and condolences to the family! I will forever remember sitting with Stan at the F.O.E. watching a ballgame or just listening to him tell stories of days gone by, he always had something interesting to say. Enjoyed hearing him speak of his love of polka dancing. We have lost another member of the greatest generation the United States will ever see! As God takes you in his arms rest easy my friend, you surely will be missed by so many!*
